

Anatomy for Artists

MATERIALS LIST Please bring the following:

- Notebook and pen/pencil for taking notes. Different color pens and pencils would be helpful.
- Soft Vine Charcoal, and any other soft drawing medium you prefer. Charcoal pencils may be helpful but not necessary.
- Kneaded Eraser
- Newsprint and/or an economical sketching paper (I recommend Strathmore sketching paper or similar, at least 14" x 18" notepad or similar) for anatomy drills—it's important to have large paper. Feel free to bring other kinds of paper as well.
- Masking tape or clips to secure your paper.
- A drawing board to attach your paper to (medium or large size).
- A wooden skewer, or knitting needle, or a very fine long brush handle, or similar to use as a comparative measuring tool.
